While designing the curriculum MSBTE always takes an effective input from industrialist and updates the contents periodically. The examination strategies of MSBTE are the reflectors of its academic standards. The vision of MSBTE is to ensure that the Diploma level Technical Education constantly matches the latest requirements of Technology and industry and includes the all-round personal development of students including social concerns and to become globally competitive, technology led organization.

ABOUT INSTITUTE

J T Mahajan Polytechnic established in August 1983 at the hands of Honourable Dadasaheb J T Mahajan an Ex-Home Minister Maharashtra State, through Technical and Medical Education Society. Late Dadasaheb was a great social and educational leader of his age, who struggled to cultivate educational nourishments in the rural and tribal region of North Maharashtra and it was his organizational vision. Now J T Mahajan Polytechnic is distinguishing itself with a vision "To receive recognition as an outstanding institute contributing technological development in the growth of Nation". To attain this vision the institute pursuits for quality assurance in all aspects of its functions at all levels and always promotes academic excellence through quality teaching and learning. It is duly approved by AICTE New Delhi and DTE Maharashtra State. Academically, it is affiliated to MSBTE Mumbai MS. Recently the institute has been offering technical education in five engineering disciplines
